FACES OF A WARRIOR
Breast Cancer Empowerment and Mentorship Program

Through Diagnosis.
Through Treatment.
Through Survivorship.
A mentor is someone who volunteers their time to support and lift others.

The Faces of a Warrior program was created for current breast cancer patients, Metastatic Thrivers, and those who have won their battle, and want to have an active role in their community’s breast health.

Based out of the Susan G. Komen Miami/Ft.Lauderdale affiliate, this group’s goal is to be a voice in the community and to inspire others to fundraise toward breast cancer progress.

Because **EVERYONE** deserves a lifetime...

As someone who’s been diagnosed with breast cancer, you know the financial and physical toll that breast cancer takes on a person. At Susan G. Komen, we work hard everyday to make sure that those who cannot afford breast health services have a way to access them for free or at a discounted rate.
Through this program, you’ll be able to:

- Participate in Faces of a Warrior outings and build relationships with your peers
- Mentor breast cancer peers (as needed)
- Lead the Hope Procession at the More Than Pink Walk
- Receive special pricing for you and your family for the More Than Pink Walk
- Attend the More Than Pink Luncheon with a complimentary ticket

The responsibilities of being a Warrior are:

- To have an active role in the breast health of our community
- To join us when we visit our grantees and patients receiving services from Komen funds
- To share your breast cancer story with us
- To be a leader in the fight against breast cancer
- To demonstrate what it takes to provide essential breast health services that save lives
- To be present and fundraise a minimum of $100 for the More Than Pink Walk (October 12th, 2019)
- To be present and invite 2-5 guests at special pricing for the More Than Pink Luncheon (March 22, 2019)

How to Join:

1. **Tell us about yourself**, Please provide the following details:
   - Name
   - Date of Birth
   - Age
   - Mailing Address
   - Phone Number
   - Profession
   - Type of Breast Cancer
   - Year of Diagnosis
   - Emergency Contact (Name & Phone Number)
   - Personal involvement with Komen (grant recipient, mentor, volunteer, etc.)
   - Name a physician that has greatly impacted your path to recovery

2. **Share your story**.*
   Please type your answers to #1 and your story. Send it to info@komenmiaftl.org. Describe your diagnosis, your feelings, what empowers you, what you live for, etc. Visit our website to see examples of previous stories. Please keep your story between 250-500 words.

   (*Your story will be read over by a staff member and may be edited to fix errors in grammar, syntax, and semantics. We will not change your story!)

3. **Stay Connected.** Accept invitation to Faces of a Warrior Facebook group to keep in touch! (We will need the email that your Facebook account is connected to)

4. **Be More Than Pink.** Register for the MORE THAN PINK Walk™ to be held on October 12, 2019 at Bayfront Park. Special Warrior pricing available.

5. **Let us introduce ourselves.** Attend the Warrior Day of Empowerment, a mandatory orientation event where we will share valuable information about this program and take your headshot!

6. **Take Action!** Be part of our quarterly events!
Vision: A world without breast cancer.

UNTIL EVERY STORY IS A SURVIVOR STORY
