

## Course Map and Parking Info

### Parking:

Parking attendants will be located on Broward Blvd to direct traffic to the various garages around the downtown Fort Lauderdale Start Line Area. Follow the people with flags to direct you to the lots.

There is plenty of Parking Capacity near the Start Area! We **STRONGLY** recommend that people arrive by 4:30am to park. There will be some congestion, as thousands of cars will be traveling to the area! Please...please, give yourself enough time to park so you are not rushed on race morning. The parking fees will be around \$10-\$12 at the Start Area. There is a parking map located on our website at, <https://alamarathon.com/parking-map>. **Carpool if possible!!**

By our Finish Line Area, there are approximately 600 parking spots at the City Parking Garage at the intersection of Las Olas & Birch Road. The meters will begin at 4:00am. It is about a Half Mile walk to the Shuttle Bus location.

At the completion of your run, and after you have partied with us, the Shuttle Buses will be located across the street (opposite the ocean) to take you back to the Start Line, if you parked there.

**\*\* The PayByPhone Parking app** - We strongly recommend participants download the PaybyPhone parking app. All City of Fort Lauderdale owned garages take payment via the app. This will save you time and stress. Download the app, upload your car and credit card info and you are ready to go. Simply enter the parking location number into the app then follow the instructions. This will allow you to avoid the pay meters. Additionally, you can add time to your parking if need be from your phone.

- City Park Garage - 150 SE 2nd Street;
- City block Location: SE 1st & SE 2nd Streets and SE 2nd Ave & SE 1st Ave
